Education details

Accurate Institute of Managament & Technology , Knowledge Park III,Greater Noida,Uttar Pradesh 201306
B. Tech in Computer Science Engineering | SGPA 8.0
2021-2025
Intermediate – S. Devi I. C Madhuvan Mau. |69.2%
High School - Rajbali S. U. M .V Pidsui Ahilashpur Pidsui Mau./ *78.83%*

Technical Skills

Technical Skills: Java, C, HTML, CSS,Bootstrap, React, JavaScript ,JDBC , SQL, Node.js, Express.js, Ejs ,MongoDB
Tools: VS code ,Eclipse ,MySql ,GitHub
Other : Object Orientend Programming,Git

Work Experience

Coding Ninjas –Teaching Assistance | Remote

- Assisted 500+ students in understanding Data Structures and Algorithms (DSA) through personalized 1:1 guidance and daily 2-hour doubt-clearing sessions.
- Consistently broke down complex concepts using practical examples, adapting to individual learning styles to enhance problem-solving skills. Maintained a 4.8/5 average student rating and a 1.02:1 assign-to-accept ratio, reflecting strong communication and mentoring abilities.

Projects

Explorique – Travel Listing Web App   GitHub
A full-stack travel platform enabling users to find and manage global stay options.

- Developed using **Node.js, Express.js, MongoDB**, **EJS,** and **Bootstrap** for responsive UI.
- Implemented **user authentication & authorization** using Passport.js with secure session handling.
- Enabled users to **search, add, review**, **and manage listings** through dynamic, role-based interfaces.
- Integrated **Cloudinary** for image uploads and **Mapbox** for interactive geolocation mapping.
- Deployed backend on **Render** and database on **MongoDB Atlas,** demonstrating cloud deployment skills.
- Followed **MVC architecture**, modular routing, and clean code practices for maintainability.

Spotify Clone   GitHub

- **HTML Structure**: Built a semantic layout to mirror Spotify's landing page and ensure accessibility.
- **CSS Styling**: Used custom CSS with Flexbox to match Spotify's branding and layout design.
- **Responsive Design**: Added media queries for smooth UI adaptation across devices and screen sizes.
- **User Interface Focus**: Emulated Spotify's look and feel for an intuitive and visually appealing experience.

Achievements

- 2 times select as the best-rated TA, and for exceptional attendance.
- 8 times top three performer on the leaderboard of the coding ninjas during the learning journey of DSA.

Certification

- Java Programming Language
- OOPS in java
- HTML and CSS
- SQL
- Javascript
